

# Victory Grips Commits to Supporting Clean Sport

*Monday April 18, 2022:*

US based grip manufacturer Victory Grips has committed a \$5,000 donation to the iF3 efforts to become a WADA Code Signatory and keep doping out of functional fitness. The donation comes as part of the iF3's **Cleans for Clean Sport Fundraiser**, where athletes, coaches, fans, and supporters of the sport can show their commitment to clean sport by completing the Cleans for Clean Sport workout and donating to the iF3's antidoping efforts.

iF3 President Gretchen Kittelberger expressed her gratitude for the donation stating, “*we are incredibly honored that Victory Grips is supporting our antidoping initiatives and walking the walk to show everyone how important they believe it is to keep functional fitness clean. This speaks volumes about their values and integrity as a company, and we couldn't be prouder to count them among our supporters.*”

Registration for the Cleans for Clean Sport Fundraiser is open now at <https://competitioncorner.net/events/7085>. Participants will show their commitment to clean sport by completing the Cleans for Clean Sport workout between May 5th and 15th.
